FOR RELEASE SUNDAY, OCTOBER 17

#### CUTLINE

Miller Hall, first building on the University of Montana campus to be named for a living person, will be dedicated <sup>Saturday, Oct. 30,</sup> during Homecoming at the University, ~~next weekend.~~

A. A. Arras, Cut Bank, UM alumnus and member of the State Board of Regents, will deliver the dedicatory address. UM President Robert Johns will introduce the speaker.

The men's dormitory is named for Dr. J Earll (Burly) Miller. The longtime faculty member returned to the campus as a visiting lecturer in history this fall after a five-year absence. He first came to the University in 1919 and until his retirement in 1960 served as professor, chairman of the Department of History and Political Science and of the Division of Social Sciences and, for 20 years, dean of men.

The gifted teacher, scholar, and friend to generations of students holds a law degree from the University of Kansas in his native state and M. A. and Ph. D. degrees from the University of Illinois.

The dormitory bearing his name houses 308 students plus a head resident and nine assistants.
